"Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness that most frightens us. We ask ourselves, 'Who am I to be brilliant, gorgeous, talented, fabulous?'

Actually, who are you not to be? Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We are all meant to shine, as children do. We were born to make manifest the glory that is within us. It's not just in some of us; it's in everyone. And as we let our own light shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others."

-Marianne Williamson

As you continue on with journey,
please remember you are a **PANTHER**.
Go out into the world and make it
better, let your voice be heard!

"Nuestros mayores temores no es que seamos inadecuados. Nuestro mayor miedo es que seamos poderosos mas allá de lo imaginable. Es nuestra luz, no nuestro lado oscuro lo que más nos asusta. Nos preguntamos "¿ Quien soy yo para ser tan brillante, tan maravilloso, tan talentoso, tan fabuloso? Realmente, quien eres tu para no serlo? Sentirte menos que otros no le sirve al mundo. No es importante hacerse pequeño para que otras personas no se sientan inseguras a tu lado. Todos estamos destinados a brillar, asi como lo hacen los niños. Nacimos para manifestar la gloria que está dentro de nosotros. No está solo en algunos de nosotros; está en todos. Y cuando dejamos que brille nuestra propia luz, inconscientemente le damos permiso a otras personas para que hagan lo mismo. A medida que nos liberamos de nuestro propio miedo, nuestra presencia automáticamente libera a los demás."

-Marianne Williamson

A medida que sigues con tu viaje,
siempre recuerda que eres un **PANTHER**
!Sal al mundo y haz lo mejor, deja
que se escuche tu voz!
