

8th Grade Culmination and Activities Schedule

For all in-person activities, students will need to be tested at an LAUSD site or have outside test results evaluated by LAUSD via the parent portal. Evaluating test results may take up 4+ days. It is recommended that students be tested at an LAUSD site. Testing will be conducted on June 2nd and June 3rd (1 week prior to culmination activities) between 12:30-2:30pm.

Tickets/RSVP-Families are to complete the Culmination survey for each 8th grade student. At the conclusion of the survey a link will be provided for families to reserve tickets.

Monday, June 7, 2021
