Hello Mann Parents and Guardians,

Your student has shown interest in joining The Co-Op for 2021-2022 school year. The Co-Op is an after school program that takes place Tuesday, Wednesday, and Thursday from 3:30pm to 5:30pm. We offer music appreciation and lessons, homework help, reading support, and special projects.

The Co-Op offers educational and enrichment programs, and is much more than just a place to hang out after school. We encourage the individual interests of our students and offer opportunities to try out a variety of different activities. If your student joins The Co-Op, they are making a commitment to themselves and to the group to participate fully, work together, and have fun.

Your student can participate in other after school programs as well (sports, Beyond the Bell, clubs). We are happy to work with you and your student to find a schedule that works best.

Registration forms are available in the office. Please be sure to fill out the forms completely and return them to The Co-Op no later than September 1st.

If you have any questions, please do not hesitate to contact me and we look forward to working with you and your student this school year.

Thank you!
